# My Favorite Bible Verse

*Lift up your eyes and look to the heavens:*

*Who created all these? He who brings out the starry host one by one and calls forth each of them by name.*

*Because of His great power and mighty strength, not one of them is missing. Isaiah 40:26*

Cindi Williams' favorite bible verse: What an awesome God we serve that calls out all the stars and planets each night by name.

*Devote yourselves to prayer, being watchful and thankful. And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains. Pray that I may proclaim it clearly, as I should. Be wise in the way you act toward outsiders; make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone. Colossians 4:2-6*

Lane's favorite bible verse: In these five verses, Paul shares the importance of praying, being alert for opportunities for the world, conducting ourselves wisely, making the most of the time, and being willing to share the gospel—the mystery of Christ. Being the hands, arms and feet of Jesus!

Do you have a favorite Bible verse and would like to share with others what it is and why it is so special to you? Send your verse(s) and a short reason why to the Church Office to be added to the monthly newsletter.

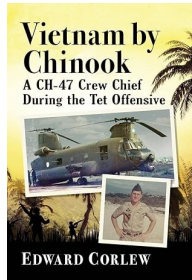

Mark your calendar for Monday April 28 at 6 p.m. in the Fellowship Hall. Ed Hay suggested Edward Corlew, a friend of his, as our April speaker. Mr. Corlew has authored *Vietnam by Chinook, A CH-47 Crew Chief During the Tet Offensive*. It is a compelling book and you will not want to miss this opportunity to hear in person his amazing story.

He was raised in a Christian home in a mostly Christian neighborhood in Nashville, TN. Engaging, frank, and full of action, Corlew describes his many combat experiences as well as the emotional effects – all through the lens of his Christian faith.

After his military service, Corlew was a general contractor and real estate broker developing commercial and residential projects. He lives in Latitude Margaritaville, now retired. A number of college libraries have added his book to their collections.

Invite a friend to come with you!

# United Women in Faith

As we move into Spring, we have some things on our calendar that may interest some of the ladies of the church. We would gladly welcome each of you at any of our events.

Thanks goes to everyone that provided desserts for the dinner for the University of Kentucky students that visited on March 19. They were enjoyed by all!

On Saturday, March 29, we will be visiting Moss Hill United Methodist Church in Vernon, Florida. Moss Hill was built in 1857 and is a National Historic Landmark. This is a day of remembrance for any UWF members that may have passed away in 2024. Also, a day for our chapter and district to celebrate for accomplishments met. A luncheon with a covered dish will be there; as always lots of food. If you would like to attend, please let me know as we are carpooling there that morning.

In late April, we will begin taking donations for our annual Mother's Day Memory and Honor Roll. On April 29 and May 4, we will have ladies taking names in the Fellowship Hall for the recognition of your loved women. Donations will be given to Hiland Park Transitional Recovery Mission. There is not a set donation amount, just what is on your heart.

On Wednesday, March 19, Gulfview had the honor of hosting 130 students of CSF (Christian Student Fellowship) for dinner, then testimonials and singing led by Doug White. The volunteers that cooked, prepared plates and drinks, made desserts and cleaned up did Gulfview proud. They are to be thanked for their service to make this an enjoyable meal and time of fellowship for all who attended.

Dinner consisted of spaghetti with a variety of sauces, salad, garlic bread and beverages. There was a myriad of desserts that were enjoyed by all.

After dinner, fellowship began in the Sanctuary with singing. Interspersed with the singing, there were those that had a testimony to share. If you were fortunate enough to attend, you would have seen the roof rise and felt the floor shake with the love these students have for God. It was an amazing sight to see hands in the air, swaying or jumping to the music and joy on the faces of those that were standing.

They were very appreciative of being able to visit us for a third time and promise to be back next year! When that was mentioned, George Bigus, who had prepared 20 loaves of garlic bread with Lonnie Mead's assistance, tapped me on the shoulder and said, "Next year we do hot dogs!"

And if Wednesday evening dinner wasn't enough for them, 20 of the guys showed up for the Thursday men's breakfast and Bible time. We also didn't let them leave empty handed. There

were so many desserts left over, we sent some back with them and also sent some to the Ark. There were even some left over for fellowship after church on Sunday!

Again, thank you to all who participated. I know we were tired but it was the best kind of tired you can be, in service to others!

## Celebration of Life

There was a Celebration of Life held for Pete Schofield at Gulfview on March 1, 2025. It was a Hawaiian theme with family and friends wearing their Hawaiian shirts/dresses. A time of Fellowship and food was available in the Fellowship Hall after the service. Pete was a member of Gulfview UMC since 2019.

LTC (RET) Peter David Schofield, Sr. USA passed away Saturday, Dec. 28, 2024, in Panama City Beach, FL.

Pete served honorably as an officer in the United States Army for 21 years before retiring at the rank of Lieutenant Colonel (LTC). After his retirement, he began work as a defense contractor for Cobham, formerly SPARTA, Inc and then People Tech where after 22 years he retired for a second time.

After deciding to hang up his tie and retiring a second time, he and his wife, Pamela Anne Schofield made their dream come true and moved to their summer home in Panama City Beach, FL. When Peter wasn't entertaining his grandchildren, he remained very active in the community through the local Rotary Club and his local church community.

Peter is survived by his loving wife of 53 years, Pamela Anne Schofield; daughter, Tameron Petersen and husband, Jeffery Petersen; sons, Peter Schofield Jr. and wife, Desiree Schofield, and Scott Schofield and wife, Elizabeth Schofield. Pete was also blessed with seven grandchildren, Jacob Sato, Alexander Sato, Collin Schofield, Jeremiah Schofield, Benjamin Schofield, Lillian Schofield and Zoe Schofield.

When I see chocolate, I always hear two voices in my head.  The first voice says, "You need to eat that chocolate." The second voice says, "You heard the first voice. Now go ahead and eat that chocolate!"
