Gulfview Events

Gulfview had a busy October! We started with Hurricane Isaias and services in the Legacy Pavilion, due to electricity being out, and a baptism of three-month old Ace, grandson of Brad and Sonja Bugg. Rob Raines joined the staff as our administrative assistant. There were breast cancer walks and our breast cancer dinner, with Reverend David Willis as our speaker from Forest Park Church. We also had new member, David Gilkey join the church, and the Faith Festival in Aaron Bessant Park.

Guest Speaker, Jerrell Jobe, coming to Gulfview November 22

Gulfview will be blessed on Sunday, November 22, with guest speaker Jerrell Jobe. He has been in full-time pastoral ministry for the past 25 years and currently serves as the Director of Development for GTI Biblical Study Tours.

Jobe has a bachelor's degree in American Sign Language Interpreting, a master's degree in Spiritual Formation and Leadership, and Archaeology & Biblical History.

Throughout his ministry, Jerrell has led over 100 trips to more than 25 countries. For the past 12 years, he has been leading study tours to the biblical lands of Egypt, Jordan, Israel, Turkey, Greece, and Rome.

He led the trip for pastors, and their spouses, which pastor Brad and Jill went on last January.

He has passion in seeking and seeing life-changing spiritual formation occur as travelers gain a greater understanding of the Story of Scripture in its original context while engaging in the ancient practice of pilgrimage.
In addition to leading tours, Jerrell frequently speaks at churches and serves as an adjunct professor at Bethel University.

In his free time, he enjoys reading, running, cycling, swimming, and hiking. Jerrell and his wife, Charissa, have three children.
